

Go Green—eStatements are now available!

eStatements is an effective tool to keep your retirement on track while delivering immediate benefits to you. Use your smart phone, tablet or computer for 24/7 convenient access in a digital world.

Stay secure. Access your statements anytime, any place.

- 
Safe & Secure – Through enhanced security measures. Secure online access helps avoid fraudulent activity. Keep your confidential records safe and secure.
- 
Real-time Delivery – No waiting for printing or the mail man. Online statement viewing is available days before physical mailing.
- 
Reduce the clutter – No more sifting through piles of mail to find your statement.
- 
Archived for your convenience – Accessible 24/7! Whether you are looking ahead or sifting backwards through time, eStatements is only a few clicks away.
- 
Environmentally accountable – Conserving our planet's natural resources is always top of mind. Choosing eStatements means reducing our overall carbon footprint.
- 
Quick and easy – Access on any device. It's in the palm of your hand. Access statements anytime, any place.

Participants can now elect to have their quarterly statements delivered via electronic media. To enroll in eStatements, log into your account, go to **My Profile**, navigate to the **Statement Delivery Options** tab, and select the **eStatements** delivery option.
